QUESTIONS AND ANSWERS TO THE INVITATION

The Purchaser presents below the questions and answers to the Invitation in the procedure 80.272.308.2017, for the delivery of diagnostic beamline components for synchrotron SOLARIS.

Question no 2

Thank you for the invitation to offer for the diagnostic beamline. (The name of company) is interested to prepare a bid. May we ask you to extend the date for submission of the bids until 12th January 2018?

Answer no 2

The Purchaser agrees and extends the date of submission of the bids until 12th January 2018 until 1:00 pm., and the date of the opening of the bids until 12th January 2018 until 1:05 pm.

At the same time the Purchaser informs that the above questions and answers to the Invitation are its integral part.

Yours faithfully,

Alicja Rajczyk
